## UNIVERSITY OF MOUNT UNION OFFICE OF THE REGISTRAR

## **Independent Study Proposal**

## Purpose:

Independent study is intended to provide an opportunity for intensive effort in a specific area of academic work not normally offered by a department. An Independent Study is not indicated to duplicate a course regularly offered by the department or listed among the courses approved for the department. An Independent Study applicant assumes the responsibility to expend effort beyond normal course requirements.

## Procedure:

The student is responsible to personally process this proposal through all steps by completing and submitting all three copies of the form:

- 1. to instructor for further review and acceptance of supervisory responsibility;
- 2. to Department Chair for review and approval; if approved,
- to Registrar during the registration period for the term of study;
  the Office of the Registrar will distribute copies of proposal (instructor, white; department chair, yellow; student, pink)
