

Temporary Graduate Housing Options University of Mount Union – Office of Residence Life

The Office of Residence Life strives to accommodate students with unique housing requests. Fortunately, we've been able to offer temporary housing to graduate students who need to stay on campus 2-3 months between clinical rotations. This is on a first come, first served basis. Below are typical options available for temporary housing. If you are interested in housing leases shorter than 12 months, please reach out to reslife@mountunion.edu to see what's available.
