**STUDENT ORGANIZATION**  
**DIRECTORY**

Student Organizations are a way to be active on campus while studying at Mount Union. Along with the benefits of University recognition, these opportunities for campus involvement are held to a high standard reflective of the quality of educational experience that Mount Union seeks for its students.

Not only do student organizations provide an environment for students to connect with one another through a topic of mutual interest, but they also provide opportunities for cocurricular learning and development.

**We recognize student organizations in one (or more) of the following categories:**

**Academic**

Academic Organizations directly support an academic field of study or link with an academic program/department at the University. This includes organizations that are honor societies.

**Club Sport**

Club Sports provide opportunities for students to participate in sports competition against other colleges and universities, but not at the Division III intercollegiate level.

**Diversity (The Diversity Council)**

Diversity organizations are inclusive to all students and are established to educate and celebrate the diversity on campus and in the community. These organizations meet Biweekly under their umbrella group, The Diversity Council.

**Governing**

These student organizations are “umbrella” organizations for specific groups of student organizations on campus. They make decisions and enforce policies and procedures as they relate to that set group of student organizations.

**Media**

Media organizations encompass those organizations that have a communications focus.

**Service**

These are student organizations whose primary purpose is either community service efforts or philanthropic endeavors in the campus and surrounding community.

**Social**

This category is our fraternity and sorority community.

**Special Interest**

These organizations include those student groups that have a focus that is of special interest to those who are members.

**Spiritual (Spiritual Life Leadership)**

These are student organizations that serve a religious, spiritual, or evangelical purpose. Each one is a member of and governed by the Spiritual Life Leadership Council.
